

HR Leave and Attendance Policy

Purpose: This file is part of a sample multi-document project for testing API-key protected RAG upload, indexing, semantic search, chat answers, and source citations.

Overview

This policy explains working hours, attendance expectations, leave categories, approval rules, and documentation requirements for employees.

Employees are expected to record attendance accurately every working day. Missing attendance records must be regularized within three working days.

Working Hours

Standard working hours are 9:30 AM to 6:30 PM from Monday to Friday. A flexible grace period of 15 minutes is allowed up to three times in a month.

Repeated late login beyond the grace limit may be marked as half-day leave after manager review.

Leave Types

Casual leave can be used for short personal needs and should be requested at least one day in advance whenever possible.

Sick leave can be taken for health reasons. If sick leave exceeds two consecutive working days, a medical certificate may be requested.

Earned leave must be planned and approved at least seven days before the start date unless an exception is approved by HR.

Leave Type	Summary
Casual Leave	Short personal needs; advance notice preferred.
Sick Leave	Health reasons; certificate may be needed after two days.
Earned Leave	Planned leave; seven-day advance approval recommended.

Approval Rules

All leave requests must be submitted through the official HR portal or approved communication channel.

Managers should approve or reject leave requests within two working days. HR will review policy exceptions.

Attendance Regularization

Employees may regularize missed punches, incorrect login times, or approved work-from-home attendance within three working days.

Regularization requests must include a clear reason and manager confirmation.
